### ASK ABOUT OUR SERVICES:

- ASC Coding Support
- Coding Compliance Audits
- Coding Education

With the MCR ASC Payment Changes in its second transition year, now more than ever, it is important your ASC Facility understands how to obtain maximum reimbursement for its multi-specialty procedures.

Let our speakers, Cristina Bentin, CCS-P, CPC-H, CMA with Coding Compliance Management and Joanne Schade-Boyce, RDH, MS, CPC, ACS, PCS with FairCode Associates, LLC assist you in sharpening your skills in ASC Multi-specialty coding and increasing your proficiency.

### Freestanding ASC Multi-Specialty Coding Conference

This ASC conference includes two full days of discussions regarding the 2010 ASC Medicare Payment Changes including in-depth CPT instruction in the specialties of Gastroenterology, Ophthalmology, Pain Management, Knee and Shoulder Arthroscopies, Podiatry, Hand Procedures, ENT, General Surgery, Gynecology, Urology, and Reconstructive Procedures. Presentations will also include updates regarding The RAC Audits and the 2010 CPT Code changes.

**14 CEUs available through AAPC and AHIMA.**

#### Expert Speakers

**Cristina Bentin, CCS-P, CPC-H, CMA**, is a principal of *Coding Compliance Management*, a healthcare consulting company specializing in the markets of ambulatory surgery centers with emphasis on ASC coding support, compliance reviews, reimbursement and training. Ms. Bentin is nationally recognized as a leading freestanding ASC coding educator, speaker, and writer with over 19 years of hands-on experience in ASC multi-specialty surgical coding as well as physician office coding.

Ms. Bentin's national coding lectures include groups such as Federated Ambulatory Surgery Association, Ambulatory Surgery Center Association, Ambulatory Surgery Foundation, The Coding Institute, The American Health Information Management Association, and The American Academy of Professional Coders. She frequently contributes trade articles to *Outpatient Surgery Magazine* and *Becker's ASC Review*.

Ms. Bentin is a member of the American Academy of Professional Coders (AAPC) Certified Professional Coder Hospital based, a member of the American Health Information Management Association (AHIMA) Certified Coding Specialist - Physician based and a member of the National Association of Health Professionals.

**Joanne Schade-Boyce RDH, MS, CPC, ACS, PCS**, Vice-President, Outpatient and Ambulatory Surgery Division, *FairCode Associates, LLC*, has vast experience as a Clinician, Educator, Insurance Director, Business Administrator, Lecturer, and Consultant. Ms. Schade-Boyce has over 30 years of experience in healthcare administration with a Master of Science, its focus on Risk Management, from Old Dominion University.

Ms. Schade-Boyce has been a lead instructor of educational courses for over 25 years, as well as an expert in development of user-friendly training and instructional manuals. Joanne's areas of expertise include surgical coding, external coding audits, on- and off-site training of surgical coding and billing, as well as professional coding services.

Ms. Schade-Boyce is a member of and attends the annual meetings for the American Academy of Professional Coders (AAPC) and the American Healthcare Information Management Association (AHIMA), focusing on healthcare coding & compliance trends.
